

Housing Color / Material	Grey / Fiberglass Reinforced Plastic
--------------------------	--------------------------------------

Type of Contact / Material	Screw / Sn
----------------------------	------------

Contact Spacing	18 mm
-----------------	-------

Cable Entry / Range	PG 11 / 4.5 to 11 mm
---------------------	----------------------

Max Voltage / Current	250 V / 16 amps
-----------------------	-----------------

Number of Poles	2 Poles + Ground
-----------------	------------------

Maximum Conductor Size	16 awg
------------------------	--------

Fixing Screw	M3 x 35 mm
--------------	------------

Gasket	NBR Profile
--------	-------------

Operating Temperature	- 40 F to + 257 F
-----------------------	-------------------

Protection Class	IP 65
------------------	-------

Approvals	UR, VDE, SEV, CSA, CE, ROHS
-----------	-----------------------------

No Circuit
